PROGRAM OFFERED Interdepartmental Minor

INTRODUCTION

The Interdepartmental Minor in Comparative Literature was introduced in 2016 by the Department of Modern Languages and Literatures, as a new Minor open to all students. The University of Winnipeg is the only institution in Manitoba offering a program in Comparative Literature.

Most often, it examines a genre, a theme, a style, an historical or cultural event, as it appears in literary works written in two or more different languages (works read in translation). The range of inquiry may include comparisons between literature and other artistic forms (such as painting, film, photography, music, or oral tradition), as well as with other academic domains (such as linguistics, philosophy, politics or science).
