NOTE: Courses that meet the ICR and another requirement, such as Humanities, Social Science, or Science, may be used toward both requirements. A course cannot be used toward more than two of those General Degree Requirements. For more information about the criteria for Indigenous content course approval, please go to <http://uwinnipeg.ca/indigenous-course-requirement>
- Courses designated with a * are experimental courses and may not be offered for credit towards the Indigenous requirement in future years.

f. The Subject Distribution Requirement

Students must complete a minimum of three credit hours in at least five different subject areas. This subject distribution ensures that students have breadth as well as depth in their degree.

g. The Degree Residence Requirement

Students are required to complete a minimum number of credit hours in University of Winnipeg courses to be granted a degree from the University. The number of degree and major residence credit hours required are listed in the descriptions for each degree.

Residence requirements for second degree programs are found in this section under 11.

h. The Maximum Number of Introductory Courses Allowed

Students may use a maximum of 42 credit hours at the 1000 level towards a degree at The University of Winnipeg. Of these, a maximum of 6 credit hours may be below the 1000 level.

i. The Academic Performance Requirement

Students must maintain a minimum academic performance level both to continue a program of studies and to qualify for a degree. Please refer to the section on *Academic Regulations and Policies*.

3. The Major

Every degree must include a subject concentration in which a minimum number of courses is taken, identified by the student and the University as the Major. The Major provides the opportunity for a student to develop depth of knowledge in a chosen field of disciplinary and/or interdisciplinary studies.

For specific information, students should read the relevant department/program section describing the requirements of the major they are seeking.

a. Major Regulations

Each department/program has its own requirement for the number of credit hours which must be taken in the declared Major subject.

There is a minimum performance requirement in Major courses presented for graduation. Students seeking 3- and 4-Year BA/BSc/BBA/BPHE/BKin degrees must have a 2.0 GPA in the Major subject courses presented for graduation. Students seeking Honours degrees must have a 3.0 GPA in all Honours subject courses.

There is a minimum entry requirement for students registering for the BA Honours, the Student-Designed Major and the Thematic Major.

Students may declare a major at the point of application to the University; they are asked to declare a major before

c. Majors leading to Bachelor's Degrees

NOTE: For Bachelor of Education majors, see the "Education" section of this Academic Calendar.

4. The Minor

A student within any 3-Year, 4-Year, or Honours degree program may choose to complete a Minor, consisting of 18 credit hours of designated courses within a Department or Program other than their Major, provided that other Department or Program offers a Minor. The list of Departments and Programs that have an approved Minor appears below. Students do not declare this Minor during their program, but should submit to the Student Records Office written confirmation of completion from the Minor Department or Program as an exit requirement at the time of application for graduation. A minimum 2.00 GPA on the 18 credit hours is required, unless a higher minimum GPA is required by the Department or Program. For Bachelor of Education Teachable Minors, please see the "Education" section of this Academic Calendar.
