

CAREER PATHFINDERS

BACHELOR OF ARTS DEGREE WITH A MAJOR IN

SOCIOLOGY

Sociology provides students with the background and skills necessary for employment in fields that require a thorough understanding of research design, data analysis, group processes, organizational dynamics, and social and political trends.

research with the Correctional Service of Canada, the Truth and Reconciliation Commission of Canada, and as a Gladue report writer with Manitoba Justice. In my current role as Director at Circles of Support and Accountability, much of what I learned at the University has informed my work at this restorative justice initiative, which supports people to safely integrate into the community after incarceration

- Natalia Ilyniak (BA Honours)
