WOMEN'S & GENDER STUDIES

Women's & Gender Studies is an interdisciplinary program exploring gender-based experiences, cultures, and political economy.

Girls, Women, and Popular Culture examines some of the myths, theories, and images of girls and women that shape how they are represented and how they represent themselves in popular culture. This course examines North American popular culture, including issues relating to sex, gender, race, class, age, sexuality, ethnicity, nationality, and ability.

Indigenous & Critical Race Feminisms acquaints students with Indigenous, critical race and anti-racist
